**UWW and Team-Sport's continued cooperation**

Dear Anton Marchl,

This letter is to signify the ongoing cooperation with Team-Sport and UWW. Over the years Team-Sport has been a trusted partner of UWW and has consistently supported UWW when called upon.

Through the company's network and other business affiliates, Team-Sport has always made efforts to connect UWW with the likes of Red Bull, Stiegl, as well as many other international brands. In addition, they played a key role to the initial "House of Wrestling" which was launched during the Rio Olympic Games and UWW will partner with Team-Sport for "House of Wrestling" initiative at Paris 2024.

United World Wrestling supports the importance of having Team-Sport as a strategic partner in developing the awareness and promotion of Olympic wrestling. One core competency of Team-Sport and where they can share their expertise is in the category of apparel and footwear and to enter into new markets with their established worldwide supply chain.

Team-Sport is the official partner and distributor for Austria, Switzerland and Germany authorized by Athlete Performance Solution. United World Wrestling supports Team-Sport GmbH to sell their products in UWW member countries where authorized. UWW has 180 National Federations with a potential of +25.000.000 registered athletes.

The successful partnership in the terms listed above with Team-Sport Marchl & Neumaier GmbH in Wals-Siezenheim is hereby confirmed by United World Wrestling.

Yours Sincerely,

President of United World Wrestling
